Additional long distance minute rate (Canada to Canada; Canada to US)⁶: 50¢

Additional local minute rate: 50¢

1. Taxes and pay-per-use charges (including long distance, roaming and additional airtime or data) are extra. Plus applicable municipal government 911 fees: Nova Scotia (43¢), PEI (70¢), New Brunswick (53¢), Alberta (44¢), and Newfoundland and Labrador (75¢). 2 Pay-per-use data: 25¢/MB. Additional data is charged by the MB or GB and is rounded up to the closest KB (1 GB = 1,024 MB; 1MB = 1,024 KB). Data usage is subject to a monthly coverage limit of 10 GB. Additional usage charged at 5¢/MB. Cannot be combined with any additional data add-on. Tethering included. 3. Premium and subscription messages are not included. Text messages sent from Canada to a non-Canadian phone number will be charged at 40¢/message. Text messages sent or received while roaming outside of Canada will be charged at 60¢/message. Visit telus.com/text for details. Multimedia messaging used while outside of Canada is charged as data roaming. Messages sent using iMessage may incur data charges. 4. The cost of voice used while roaming outside Canada and the US will vary by zone. Currently, voice roaming in the U.S. is charged at \$1.50/minute. Visit telus.com/mobilityppu for details. 5. Data used while roaming in the U.S. is charged at \$5/MB. Data used while roaming outside Canada and the US will vary by zone. Rates may be viewed at telusmobility.com/travel. 6. Long distance refers to calls originated in Canada and terminated in either Canada or the U.S., except for Hawaii and Alaska. Long distance service uses local calling minutes, which are chargeable once the local minutes included in the rate plan or any optional feature are all used. Additional fees may apply for servicing operations for one-time services, such as phone swaps or reprogramming on existing accounts or directory assistance. See telus.com/mobilityfees for the list of current services and rates. Rates and offers are subject to change without notice. Visit telus.com to confirm our latest offers. Manitoba extended coverage available to customers with HSPA/LTE devices. To be eligible for this coverage, customer's primary residence and billing address must be within TELUS' own HSPA+/LTE network coverage areas when they buy or use TELUS' services. Not available with prepaid service. Data transmission speeds are lower, resulting in longer load times for video streaming applications and file downloads, and certain applications (such as Business Connect and TELUS Link Push-to-Talk) are unavailable in extended coverage areas. Use of voice, text and data services respectively in any month is limited to half of the total usage for such services in such month. A one-time connection fee of \$70 applies to in-store and call center upgrades and activations. See telus.com/network for more details.
