Customers are required to stay on the Canada-US plan for the duration of their term or will automatically be charged a \$100 service fee. Subscriber must remain a Canadian resident. Roaming pay-per-use charges only apply when roaming outside Canada and the US. The cost of service used while roaming outside Canada and the US will vary by zone. Visit [telus.com/mobilityppu](https://telus.com/mobilityppu) for details. Sending and receiving picture or video messaging in the US will use data. Once you hit your plan's high speed data threshold, speeds will be reduced on your Smartphone and all your connected devices however, you will not be charged data overage fees. Refer to TELUS' Fair Use Policy at <https://telus.com/fairusepolicy>. You only need one Peace of Mind Connect smartphone plan per account. If you cancel the Peace of Mind Connect plan from your account, all of your connected devices will be disconnected and any remaining Easy Payment balances will be charged in full on your next invoice. Peace of Mind Connect plan data cannot be shared by devices on other TELUS rate plans. Peace of Mind and Simple Share plans cannot be combined with existing device balances. Customers on an older plan with an existing device balance must pay off their device balance before switching to a Peace of Mind or Simple Share plan.
