(1) Talk or Data Booster add-ons don't expire if account is active. In order to rollover, account must have enough credits to cover cost of the plan. (2) Includes international text messages sent and received anywhere in Canada. Availability of service will vary by country and is subject to change without notice. Excludes premium messages and subscription-based messages. Picture messaging includes international picture messages sent and received within Canada. Picture messaging is not supported by BlackBerry smartphones that are not on the BlackBerry 10 operating system. (3) Included data does not rollover at the end of 30 days. Data usage is rounded up each session to the nearest 10KB. Data service on BlackBerry smartphones requires the BlackBerry 10 operating system. U.S. Roaming data Booster add-on required to use data outside of Canada. (4) Voicemail and Call Forwarding use airtime. To retrieve Voicemail or use Call Forwarding on your Koodo phone, you must have sufficient anytime minutes in your account. Talk Booster add-on minutes are charged by the minute and the airtime required to connect your calls is drawn from the included minutes. (5) Canada-wide, Long Distance and U.S. Roaming Booster add-ons don't expire if account is active. Booster add-ons are available for use only when there is a non-expired base plan on the account. Booster add-ons will be removed from the account upon account deactivation. Anytime and long distance minutes are charged by the minute and the airtime required to connect your calls is drawn from the included minutes. (6) You will require a U.S. Roaming Data Booster add-on to send or receive picture and video messages. Prices exclude taxes. Incoming text messages are free of charge. Rates are subject to change without notice. Plans with 3G speed may reach download speeds of up to 3 Mbps, and plans with 4G speed may reach download speeds up to 100 Mbps, with the coverage and reliability of the LTE network. Speed and signal strength may vary with your device, configuration, Internet traffic, environmental conditions, applicable network management and other factors. (7) Quebec-wide calling includes outgoing calls to any number with an area code located in Quebec. Incoming calls from across Canada are also included regardless of the province where the call originates. A Canada-wide Booster add-on must be purchased to make outgoing calls to phone numbers in Canada outside of Quebec while in Quebec. If traveling to another province, outgoing calls to any number within that province will be available, but calls to Quebec are not available when outside of the province. A Canada-wide Booster add-on must be purchased to call Quebec while traveling outside of Quebec. Prices exclude taxes. Rates are subject to change without notice.
